

BARNABAS MINISTRIES

EXPANDING THE VISION
COMMUNITY CAMPAIGN

Dear Friends,

I hope this message finds you well! Thank you for the opportunity to share with you the incredible work of Barnabas Ministries. In 1993, Barnabas Ministries was founded by an incredible group of believers from countries around the world who were called to share the love of God to the people of Romania.

When we began our main goals were to:

1. Promote unity in the Body of Christ
2. Be an encouragement to the people of Romania
3. See people come to know Christ

To encourage the Body of Christ, we ministered and worked alongside area churches. Our goal was to see New Testament churches established all over Romania, led by the power of God, fulfilling His Word.

To be an encouragement to the people of Romania, we focused on humanitarian aid work. After the revolution and fall of Communism in 1989, Romania was a broken country and filled with many needy people. We visited many elderly people and poor families in their homes and over the years we have seen many of their lives touched by helping them with food, clothing and other practical materials. We have also visited state orphanages, kindergartens and hospitals doing Christian programs and helping in whatever ways possible.

After 26 years, I'm happy to share that our Barnabas Ministries goals remain the same. We continue to focus on 1.) promoting unity in the Body of Christ through the church, 2.) encouraging people in Romania by reaching out to those in need and 3) leading people to the Lord.

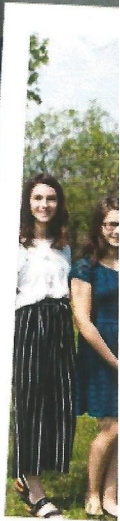

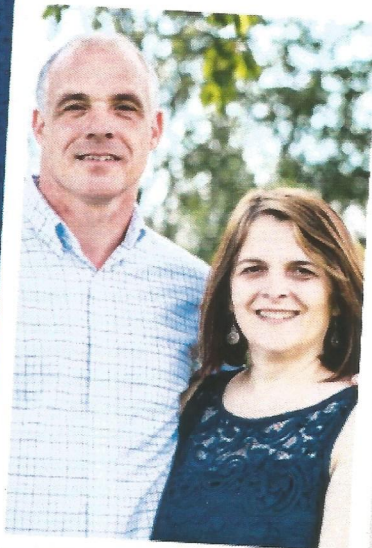

Even now, 30 years after the revolution that overthrew communism, many Romanians are struggling. It is clear that the Romanian government is not caring for the good of its people and rampant corruption affects every area of society. Over the years, Barnabas Ministries has been a light in the darkness and we are needed now more than ever!

The next few years will be important years as we build a Community Center and Church that will impact this area for generations to come.

As you review the following pages, please prayerfully ask God if He would have you partner with us. Certainly we want you to do what God leads you to do, whatever that may be. We hope that you will seek God with a willing heart and be available for Him to use you to bless this ministry!

Thank you and May the Lord Bless You,

Daniel Hurrelbrink

OUR VISION:

Our vision is to see happy healthy children and successful Christian families raised up in Romania!

OUR MISSION:

Barnabas Ministries is a faith-based nonprofit organization dedicated to protecting and providing hope to children, while strengthening and supporting families in rural Romania through education, empowerment, and advocacy.

PRESENT WORK:

Weekly Children's Outreach - An average of 25-35 children attend weekly meetings. Each week we connect through music, activities, games and share an important lesson from the Bible.

Weekly Teen Outreach - We have a really good group of teenagers that enjoy coming together to worship, have fun, and learn about the Bible.

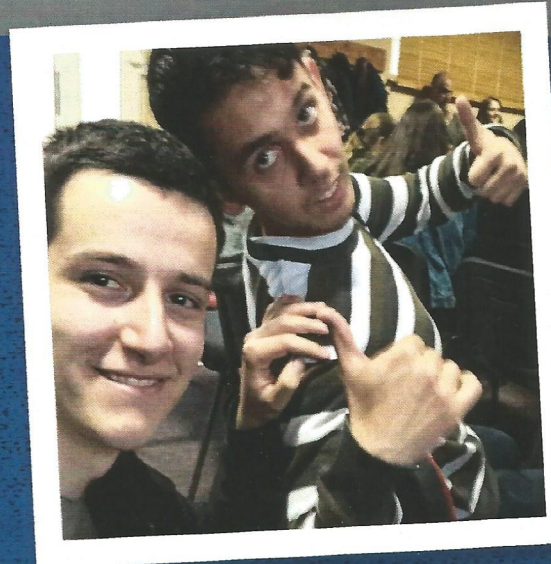

Day Camp at Casa Ezra - Every summer we have a day camp where children ages 3-9 come to have fun, learn about the Bible, and make new friends.

Camps at the "Oasis of Love" - We organize week-long Christian camps for children, teens, and families that dramatically impact and change the lives of those who attend.

Needy Family Support - Our main goal is to keep children in their biological families. Many times extreme poverty causes parents to place their kids in children's homes. When we identify children in such cases, we come alongside their parents and help however we can.

Needy Child Care - These are children that we work overtime to care for on a daily basis. Many of these children come from single parent homes and are in need of childcare, our goal is to keep them in the family unit.

Adoption Support & Trauma Training - There are 57,000 orphans living in Romania. Our goal is to find a forever home for every orphan. Being adoptive parents, we know the importance of having a support group, understanding the effects of childhood trauma, and the way it affects orphans so that these children have access to happy and healthy lives.

PRAYER

The work we do at Barnabas Ministries is both exciting and difficult. Prayer is the main key to breaking down the strongholds over this land of Romania. Prayer is also a sustaining force for our leadership.

One of the most difficult days of the week for Barnabas Ministries is on Saturdays as we make our greatest impact on families and children.

Would you join together with supporters from around the world to pray for Barnabas Ministries during your Saturday morning prayer time?

TESTIMONIALS

"I could write a book about how much I love Romania and Casa Ezra -- and it is all thanks to Dan and Maria and their incredible family. Both times I have been here I have seen God's face and heart so clearly, in so many different ways. From watching them love their neighbors so abundantly, to the the dedication and hard work at Laz -- I know that the poeple around this ministry are also blessed by the Hurrelbrink family. I am in love with Romania and all that it holds. God's hand is clearly over Barnabas Ministries, and I am so thankful for the opportunity to serve and learn here."

— VICTORIA CARPENTER

"It is being in the presence of Dan and other Christians that changed my thinking and I "converted" from being an atheist to a Christian.

As I write this, I am in the yard at the home in Sebis, Casa Ezra. What they have accomplished on their own battling against the corruption and the system is miraculous. As Dan say's, 'It is God who is in charge'. Most people would have given up and gone home a long time ago."

— KEITH BROOKFIELD

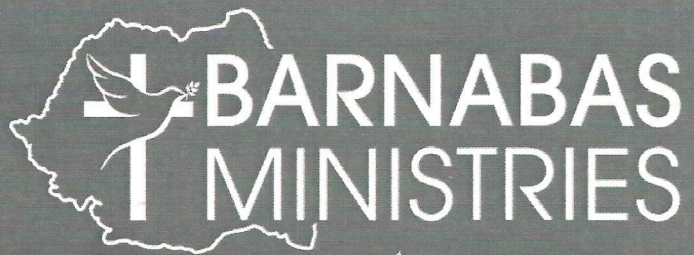

"Dan and Maria are the two most hospitable people I have ever encountered. Their humor, wisdom, and selflessness is all to be admired. They make you feel loved, wanted and at home at Casa Ezra and their children are so welcoming and loving.

The work done here with the children and the poor gypsy families is something to be looked at as such an act of God."
